If you want to accommodate your family and friends in comfort and style, and want to get a good picnic table cheap, this is the one for you. This model is prepared to accommodate an umbrella hole in the center of the table if you choose to drill one.

Made from Lifetime's patented high density polyethylene (HDPE) plastic with a strong, powder-coated steel frame, these picnic tables are weather resistant to rusting, chipping, or cracking, and will look beautiful for many years to come.

Maintenance: Easy to clean. Use a mild soap and a soft-bristled brush. For tough stains, use a mild abrasive such as Soft Scrub. Use rubbing alcohol on wax, and a de-greaser for automotive grease.
