

Jamboree Troop **1011** Newsletter

November 2009

This ~~could~~ will be you...

Hello Jamboree Scouters,

Just a reminder of our upcoming Troop 1011 Jamboree meeting this Sunday November 1st from 3:00 pm to 5:00pm. Rather than sit and listen to announcements, the PLC has decided to do something a bit more fun for all the scouts. This also fits with one of our Jamboree Troop's goals of creating teams and comradery. Soooooooo, let's go bowling. We will bowl, then follow up with announcements and a question and answer time. Bowling alley is just a short distance down the road from our last meeting location. PLC and Scoutmasters should arrive at 2:30. **Please plan ahead and arrive BEFORE the meeting starts so our Scribe can take attendance.** Be sure to wear your Scout Field Uniform (some call it a Class A)

Meeting location:

Brunswick Zone
1515 Aurora Ave
Naperville, IL 60540
(630) 355-7622

Cost for the bowling for the Scouts has been prepaid as a treat from our SPL's father Mike Koehne and myself, so please make plans to participate. If anyone would like to contribute to help us defray the cost :) please see me.

I'd like to welcome Jimmy Nowak as our 3rd Assistant Scoutmaster to our team. Jimmy is currently a Life Scout with his Eagle board of review right around the corner will be joining our troop to round out our adult leadership team. Attached is a copy of his bio.

Come prepared to share ideas for our troops gateway. We will be collecting these ideas during the meeting. Below is a file containing the rules to follow when considering designing a gateway. I've also included a link here to provide you with examples of what troops have done in the past in creating their troop's gateway at the 2005 Jamboree.

Troop 1011 National Scout Jamboree Scoutmaster Joe Harrington Vision Statement

To lead Troop 1011 to the 2010 National Jamboree, to empower the youth leadership, to provide all the means necessary for the boys to have a well rounded, fun and educational experience. I feel we, as leaders OWE it to the Scouts to do WHATEVER it takes to insure the boys have the best, most memorable scouting experience of their life in a safe environment while keeping the Scouts and parents well informed.

Troop 1011 National Scout Jamboree Senior Patrol Leader Mike K. Vision Statement

As Senior Patrol Leader for Troop 1011, I would like the scouts in this troop to be prepared to attend the 2010 Jamboree. I want the scouts to understand the concepts of Junior Leader Training so that communication is at its best. I need the scouts to be part of the planning so that this is "THEIR" troop in every sense of the word. I want each and every scout attending the Jamboree to have the most amazing experience of their lives. I will facilitate this where ever I am able and will work with our adult leaders to make this a reality. I too, want this to be an experience I will never forget.

2010 JAMBOREE PROGRAM

Here are just a few things to expect at the 2010 Jamboree

- Outback Centers** Outback center activities include fishing, aquatics, canoeing, scuba, kayaking, rafting, snorkeling, and sailing. Boating activities, snorkeling, and some exhibits require close staff supervision and limited access; therefore, a ticket system is used.
- **Conservation** Scouts will be offered a wide range of hands-on opportunities to experience the latest in environmental developments and to become involved in conserving our world's natural resources. Nearly 25 government and private agencies support this program.
 - **Fishing** More than 20,000 bass, channel catfish, bluegills, and other fish are stocked in Fishhook Lake. Assisted by experts, participants may fish here throughout the jamboree. Fishhook Lake will be open from 6 A.M. to 5 P.M. beginning July 27, 2010, every day except Sunday, when it will open at 1 P.M. On July 30, it will open after the completion of the 5K run.

- Aquatics** The aquatics center will provide opportunities for participants to row, canoe, kayak, snorkel, and scuba dive. Aquatics activities include the following:
- **Canoe Slalom** A two-Scout crew will steer through slalom gates over a timed course.
 - **Sailing** This exciting aquatics program provides Scouts with instruction in basic sailing skills and a unique small-boat sailing experience with one-or two man Hobie Cats on the sparkling waters at Fort A.P. Hill. By experiencing sailing at the 2010 National Scout Jamboree, BSA councils will also learn how to develop and enhance aquatic high-adventure pro grams at their own local Scout camps.
 - **Canoe Sprint** A two-Scout crew will race a canoe through a set of buoys over a timed course, testing maneuvering and speed.
 - **Discover Scuba** Scouts have an opportunity to enjoy the underwater world, led by experienced instructors from the Professional Association of Diving Instructors.
 - **Kayak Fun** Participants will learn basic kayak handling skills and navigate a set course for time.
